March 21—April 20

LIBRARY

OF THE

ARMY WAR COLLEGE

AND

HISTORICAL BRANCH, WAR PLANS DIVISION, GENERAL STAFF

MONTHLY LIST OF MILITARY INFORMATION CARDED FROM BOOKS, PERIODICALS, AND OTHER SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices, 241 West 37th Street, New York.

LIBRARY
 OF THE
ARMY WAR COLLEGE
 AND
 HISTORICAL BRANCH, WAR PLANS
 DIVISION, GENERAL STAFF

**MONTHLY LIST OF MILITARY INFOR-
 MATION CARDED FROM BOOKS,
 PERIODICALS, AND OTHER
 SOURCES**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices, 241 West 37th Street, New York.

Army Service Schools Press
 Fort Leavenworth, Kansas

List for April 21--May 20, 1918

1. ADJUTANT GENERAL'S OFFICE, U. S. High standard of work maintained in the Adjutant General's Office, War Department. Efficient manner in which it raised the Regular Army to present strength, and established training camps.—*Army and Navy Register*, May 4, 1918, p. 555.
2. AERIAL TROOPS, Great Britain. The British air forces. Transfer of naval and military to air force under British Air Ministry. Text showing conditions in service. Air force memorandum No. 1.—*Navy Air Pilot*, May, 1918, p. 49.
3. ——— Great Britain. Duties of Air Council members stated in the British Air Ministry's estimates for 1918-19.—*Flying*, May, 1918, p. 354.
4. AERONAUTICS-DICTIONARIES. Nomenclature for Aeronautics. List of terms and their definitions. Only those terms have been defined which are peculiar to this subject. By the National Advisory Committee for Aeronautics.—*Aerial Age Weekly*, May 6, 1918, p. 394.
5. ——— European War. "The Aerial Circus; Its Origin, Organization, and Operation."—*Illustrated London News*, Apr. 6, 1918, p. 408.
6. ——— U. S. Report of Military Committee on aircraft production in U. S. Data in regard to training schools, training planes, the Liberty motor, combat planes, etc.—*Congressional Record*, Apr. 10, 1918, p. 5275.
7. AEROPLANES, European War, Losses. Aircraft wastage in war. Need in British Army for 100 per day for replacement.—*Congressional Record*, Apr. 29, 1918, p. 6214.
8. ——— U. S. History of the evolution of the airplane from the Wright biplane of 1908 to the airplane of the present day. Illustrated.—*Aviation*, May 1, 1918, p. 450.
9. ——— U. S. Aircraft production U. S. Mistake in sacrificing everything for a superb 1919 model. Conflicts of authority in production. The unsatisfactory report of the Committee on Military Affairs.—*Collier's*, May 11, 1918, p. 6.
10. ——— U. S. Texts of majority and minority reports submitted by Senate Committee on Military Affairs, concerning its investigation of government airplane construction.—*Army and Navy Journal*, April 13, 1918, p. 1246.

11. ———U. S. Debate on failure of U. S. to construct aircraft. Number produced, cost, etc.—*Congressional Record*, Apr. 29, 1918, p. 6214.
12. ———U. S. Aircraft production in the U. S. and failure of supply from Europe. Reasons for number on hand.—*Congressional Record*, April 29, 1918, p. 6214.
13. ———U. S. Report of the Aeronautical Society of America on aircraft production, recruiting, training, etc. New York, April 2, 1918.—*Congressional Record*, May 2, 1918, p. 6403.
14. ———U. S. "American Promise and Performance in Regard to Ships and Aeroplanes." Disappointment of Allies regarding U. S. failure to have large American Army in France in spring of 1918,—*Current Opinion*, May, 1918, p. 301.

45. **CENSORSHIP, European War.** "The Work of the War-Censor on the Field and at Home." Major Frederic Palmer on the American system of censorship of A. E. F. information.—*The Literary Digest*, Apr. 20, 1918, p. 46.

46. ———U. S. Comment on the employment of official press agents. Need for men responsible to public only. *Collier's*, May 11, 1918, p. 7.
47. CHAUFFEURS, TRAINING, France. French training course for motor car drivers extends over 3 or 4 months. Previous experience not important.—*Motor Age*, May 9, 1918, p. 24.
48. CLOTHES, Germany. Food and clothes substitutes in use in Germany during war. Food adulteration claimed by *Vossische Zeitung* to be a false economy. The latest products too terrible to be endured.—*Literary Digest*, Apr. 20, 1918, p. 53.
49. COAL. Iron and coal and the domination of the world. Data and tables showing consumption of coal in different countries and the coal resources of the world, arranged according to countries. Tables showing iron resources of the world and distribution according to countries.—*The Nineteenth Century*, Apr., 1918, p. 698.
50. ———U. S. Organization of a coal company according to modern standards. Analogies with army organization. Chart showing the proposed organization of a producing and selling company.—*Coal Age*, April 27, 1918, p. 778.
51. COMMAND OF TROOPS, European War, Allies. Single command for the Allies.—*Army and Navy Journal*, April 27, 1918, p. 1316.
52. ———Germany. The command of the German Army artillery in the European War.—*La Guerra y su Preparacion*, January, 1918, p. 9.
53. COMMITTEE ON PUBLIC INFORMATION, U. S. Detailed report of work accomplished by the Committee on Public Information in War of 1917.—*The Literary Digest*, April 20, 1918, p. 50.
54. CONCRETE SHIPS. Development of reinforced concrete ships; dimensions, formulas, diagrams, methods of launching, etc.—*Engineering*, March 29, 1918, p. 335.
55. ———European War. Continuation of article on reinforced concrete ships from *Engineering*, issue of Apr. 5, 1918, p. 368. Illustr. with charts.—*Engineering*, April 12, 1918, p. 409.
56. ———U. S. Concrete ships, history of their production, their design, methods of reinforcement, weight and carrying capacity, advantage and disadvantage.—*Engineering*, April 5, 1918, p. 366.
57. CONTRACTS, U. S. Form of contracts for emergency work for U. S. Government. Construction during War of 1917.—*Congressional Record*, May 1, 1918, p. 6342.

58. COST OF LIVING, U. S. Wholesale prices of staples compared, July, 1914, and Dec., 1917. Tables.—*Congressional Record*, April 19, 1918, p. 5770.
59. ———U. S. Table showing prices of articles bought by farmers 1909-17.—*Congressional Record*, May 2, 1918, p. 6417.
60. DECORATIONS, U. S. Brief description of the new crosses and medals. (Distinguished Service Crosses).—*Army and Navy Journal*, April 27, 1918, p. 1320.
61. ———U. S., European War. Picture of distinguished service cross awarded to Americans, who, since Apr. 6, 1917, distinguish themselves by exceptional conduct in our military operations.—*The Outlook*, May 8, 1918, p. 70.
62. DEMOBILIZATION, European War. Settlements proposed in Kootenay district (Idaho and British Columbia) for United States and British soldiers, after demobilization. A description of the country.—*The Nineteenth Century*, Apr., 1918, p. 762.
63. DEWEY, ADMIRAL. "What Dewey Feared in Manila Bay. As revealed by his letters." Dewey's attitude towards the Germans explained as being based on his fear of a naval engagement with the German fleet.—*The Forum*, May, 1918, p. 513.
64. DOGS, Austria-Hungary. The use of dogs for military purposes and draft in the Austria-Hungarian Army. *La Guerra y su Preparacion*, January, 1918, p. 16.
65. DRAFT, U. S. Draft quotas of the states for the call for 150,000 men to report at camps, beginning April 26.—*Army and Navy Journal*, April 13, 1918, p. 1247.
66. ———U. S. National quota sheets, draft of 800,000 men, May 1st, 1918. Tabulated statement, showing number of men in Class 1, with and without credits, in each State; number of deductions and credits, etc.—*Congressional Record*, May 9, 1918, p. 6782.
67. ———U. S. Health conditions among soldiers and civilians in the U. S. Chart showing ratio of men physically qualified to those physically examined.—*The Survey*, April 27, 1918, p. 89.
68. EUROPEAN WAR. "Lichnowsky's Memorandum." Full text of Lichnowsky's suppressed document giving the genesis of the European War.—*Current History*, May, 1918, p. 1.
69. ———Bibliographies. List of references—books of interest in connection with the European war. Published by the Carnegie Library, Pittsburg, Oct., 1914. Filed Envelope Case—European War.

70. ———Germany. Herr Thyssen's revelations concerning the Hohenzollerns' bargain with Germany's business men in 1912. Evidence that they entered the war for personal gain.—*Manufacturers Record*, May 9, 1918, p. 49.
71. ———Germany. "The Thoughts of Hindenburg." An analysis of the German military mind. How Germany can take advantage of peace negotiations to occupy Russia. Methods which the Hun may use to counter the anticipated U. S. offensive of 1919.—*Collier's*, April 27, 1918, p. 13.
72. ———Germany. The economic task before Germany during the war and after it. Figures showing condition of Germany's finances.—*The Literary Digest*, May 4, 1918, p. 86.
73. ———Germany. German preparations for the European War, Jan. to March, 1914.—*Congressional Record*, April 17, 1918, p. 5609.
74. ———Germany. Economic reasons for German attack on French front, March, 1918.—*Scribner's*, May, 1918, p. 641.
75. ———Japan. The Japanese campaign of 1914. Conquest of German Colony Kiao-Tchéou and Fortress Tsing-Tao. Historical account of Kiao-Tchéou, its military and naval forces, the period of negotiations, the beginning of hostilities, the march toward the enemy, hostilities at sea, and the capitulation.—*L'Illustration*, March 9, 1918, p. 229.
76. ———Russia. "What Russia's Surrender Means to Us." Map showing resources Germany will organize and thus lengthen the war.—*The World's Work*, April, 1918, p. 609.
77. ———Russia. "Russia's mutilation—Germany unmasked." By Frank Simonds.—*The American Review of Reviews*, April, 1918, p. 366.
78. ———Russia. War of 1917. Review of situation in the U. S. Reprints of reports, official documents, etc. Record of campaigns on all fronts and collateral events. See the *New York Times Current History* during period of the war.
79. ———Salonika. "Salonika and the War in the East." The importance of Salonika during and after the European War.—*The Military Historian and Economist*, April, 1918, p. 101.
80. ———U. S. Report of Gen. J. Franklin Bell to Senate Military Committee on the result of his visit to France—methods of locating hostile guns, aerial photography, age of general officers, equipment of American forces, etc.—*Army and Navy Register*, April 20, 1918, p. 485.
81. FAMINE. German use of famine as a weapon during European War. Diagrams showing number of deaths by famine compared to number of deaths by fighting.

Map showing condition of different countries in Europe in regard to food supply. Diagrams showing food resources—supply and demand.—*National Geographic Magazine*, April, 1918, p. 337.

82. FIELD ARTILLERY FIRE. "Field Artillery Fire for Beginners." (Light Field Gun).—*The Field Artillery Journal*, Jan.-Mar., 1918, p. 116.
83. ——— "Firing charts and the Reconnaissance Officer." First of series of lectures by Major Sturgill.—*The Field Artillery Journal*, Jan.-Mar., 1918, p. 44.
84. FINANCES, European War. Discussion of effect of repudiation after European War.—*Scribner's* May, 1918, p. 641.
85. ——— European War. Financial conditions in Anglo-Saxon and other belligerent nations during European War.—*Scribner's* May, 1918, p. 641.

May, 21----June 20, 1918

SEP 13 1918

LIBRARY RECEIVED

OF THE

ARMY WAR COLLEGE

AND

HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

MONTHLY LIST OF MILITARY INFOR-
MATION CARDED FROM BOOKS,
PERIODICALS, AND OTHER
SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices, 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

List for May---June, 1918

97. ———The Foreign Office and the House of Commons; their relations and procedure.—*Congressional Record*, June 11, 1918, p. 8248.
98. GRENADES, European War. Types of hand grenades and their qualities.—*Congressional Record*, May 31, 1918, p. 7842.
99. ———Germany. Types of hand and rifle grenades used by the Germans. Illus.—*Mid-Week Pictorial of the New York Times*, May 23, 1918, p. 2.
100. GORGAS, SUR. GEN. WILLIAM C. "The Credit Side of Our War Ledger."—*Collier's*, June 8, 1918, p. 11.

101. GUNS, MANUFACTURE OF, U. S. Manufacture of guns in the U. S. Growth of plants, types, etc.—*Collier's Weekly*, June 1, 1918, p. 13.
102. ———European War. Cannon—Whose fault? Types of guns used by the U. S. in the European War. Delay in production and reasons for.—*The New Republic*, May 25, 1918, p. 110.
103. HELMETS, Belgian. Illustration of the new Belgian steel trench-sentry helmet showing visor up and down.—*The Illustrated London News*, May 11, 1918, p. 543.
104. HOSPITALS, U. S. Letter of Surgeon General, 27th April, 1918, giving list of hospitals for reconstruction of wounded soldiers. Types of diseases or wounds committed to each hospital.—*Congressional Record*, May 23, 1918, p. 7514.
105. HOUSES, U. S. How Erie is solving the housing problem. Influx of laborers has made erection of houses by Erie manufacturers imperative.—*The Iron Age*, May 30, 1918, p. 1385.
106. HUTS. Description and drawing of plans for portable hut for the A. E. F.—*The Royal Engineers Journal*, Apr. 1918, p. 167.
107. INDUSTRIAL WORKERS OF THE WORLD, U. S. Bolshevism in the U. S. Its introduction in New York, connection with the I. W. W., and its propaganda work for Germany.—*The Forum*, June, 1918, p. 703.
108. INLAND TRAFFIC SERVICE, War Department. Personnel, duties, and location of offices of the Inland Traffic Service, War Dept.—*The Official Bulletin*, June 7, 1918, p. 9.
109. INSIGNIA, Germany, Air Service. Illustrations of German aircraft officers' insignia.—*La Science et la Vie*, May, 1918, p. 401.
110. ———U. S. Changes in army chevrons. Text of changes in Uniform Regulations, Nos. 41 and 42.—*Army and Navy Register*, May 25, 1918, p. 672.
111. ———U. S. Insignia for Army tank corps. Illus.—*Army and Navy Register*, May 25, 1918, p. 658.
112. INTERNATIONAL LAW. "The Right of Visit and Search." An account of the development of this principal from early conceptions. Modifications resulting from the European War.—*United States Naval Institute Proceedings*, May, 1918, p. 973.

113. IRON. Data on the iron reserves of the world. The Brazilian iron situation; Swedish, Chinese and Continental Europe iron-ore deposits, etc.—*Engineering and Mining Journal*, June 1, 1918, p. 1002.
114. ———World's iron-ore reserves. Mining engineers discuss their relation to post-war economic conditions.—*The Iron Age*, May 30, 1918, p. 1413.
115. JEWS. Reasons for unwarlike qualities of the Jew. His aversion to war inbred and the result of his misunderstanding of the purposes of war.—*The North American Review*, June, 1918, p. 857.
116. JUAN FERNANDEZ. "The Islands of Juan Fernandez." Maps and illustration.—*The Geographic Review*, May, 1918, p. 362.
117. JUGO-SLAVS. Text of the Declaration of Corfu, July, 1917. Relations of Jugo-Slavs, Croatsians, Serbs, and Slovenes with Austria.—*Congressional Record*, June, 10, 1918, p. 8231.
118. ———Conference between Jugo-Slavs and Italians. Rome, April 8, 9 and 10.—*The Near East*, May 3, 1918, p. 364.
119. KITCHENS, European War. Improved methods of fireless cooking in the field. A means of saving fuel.—*Journal of the Royal Army Medical Corps*, March, 1918, p. 342.
120. LABOR AND LABORING CLASSES, Germany. Facts drawn from official German documents reveal intolerable living and working conditions. Tables showing wages for various occupations.—*Current Opinion*, June, 1918, p. 433.
121. ———Great Britain. British railway labor, wages, and living under government control during the war.—*Official Bulletin*, May 28, 1918, p. 9.
122. ———U. S. A clearing house for labor. Necessity for consolidation of all public employment agencies into a single system under the control of the Federal government, and a monopoly of the labor market by this system.—*Atlantic Monthly*, June, 1918, p. 773.
123. ———U. S. To stop competitive bidding for labor. How the 400 Government employment offices will help in securing workmen. Labor Turnover meeting of American Society of Mechanical Engineers.—*The Iron Age*, May 30, 1918, p. 1414, 1424.
124. ———U. S. The place of Democracy in business. Lessons of the war for employers and employees. The labor question the greatest economic issue before the world.—*The Iron Age*, May 30, 1918, p. 1402.
125. ———U. S. Far-reaching movements for utilizing all the man-power for relieving the labor situation. The work or fight sentiment spreading through the states.—*Manufacturer's Record*, May 30, 1918, p. 57.

126. ——— U. S. Detailed tables showing wages and hours of labor in the U. S., Feb., 1918.—*Monthly Review of the U. S. Bureau of Labor Statistics*, April, 1918, p. 891.
127. ——— U. S., Ohio. "Mobilizing and Distributing Farm Labor in Ohio." Practical, business methods of the Ohio Employment Service result in efficient placement of farm hands, and supplying labor for Ohio industries generally.—*Monthly Review of the U. S. Bureau of Labor Statistics*, Apr., 1918, p. 781.
128. LEAGUE OF NATIONS. Historical data on obstacles to peace system of the League of Nations. The impossibility of obtaining a renunciation of sovereignty from the great States of the world.—*The New Europe*, April 4, 1918, p. 353.
129. LIBRARIES, U. S. Change in character of the American reference library will follow the war. Demand for more books from an American point of view, and widening of scope to meet a keener interest in international affairs.—*The Library Journal*, June, 1918, p. 387.
130. LOSSES, European War, Germany. German estimates of their losses on all fronts. Figures of Karl Bleibtreu gives total of 4,089,511 for both fronts during period Aug. 1914-July, 1917.—*Current History*, June, 1918, p. 431.
131. MACHINE GUNS, Browning. Explanation of the Browning machine gun. Some automatic features, etc.—*Congressional Record*, May 31, 1918, p. 7843.
132. ——— U. S. Records of production of machine guns in the U. S. in 1918.—*The Congressional Record*, May 28, 1918, p. 7762.
133. MAN POWER, European War. Man power in the European War. Political and military analysis by Andre Cheradame.—*Atlantic Monthly*, June, 1918, p. 844.
134. ——— European War. Strength of belligerent's lines and available forces estimated. Statement that German Army of today numbers approximately 5,300,000, of which 3,500,000 are on the Western front.—*Literary Digest*, May 25, 1918, p. 7.
135. MALLETERRE, GENERAL. "The German Offensive and American Aid." By General Malleterre. Review of German strategy. Illustrations and map.—*Collier's Weekly*, June 1, 1918, p. 6.
136. MAP MAKING, European War, France. Work of the U. S. Topographical Section in France cooperates with map makers of the air. Existing French maps used as basis for new work. Methods of construction, etc.—*Engineering News Record*, May 23, 1918, p. 984.

137. MEDALS, U. S. The Liberty Service Medal, issued by American Social Science Association, as a means of recognition of notable humanitarian or patriotic service over here. Description of the medal.—*The Independent*, June 8, 1918, p. 390.
138. ———U. S. Picture and description of U. S. A. Distinguished Service Cross.—*Army and Navy Register*, June 8, 1918, p. 716.
139. ———U. S. Description and illustrations of the new U. S. A. decorations. Distinguished service medal and medal of honor.—*Scientific American*, May 25, 1918, p. 481.
140. MERCHANT MARINE. Merchant shipping and state control. British methods employed during the European War.—*The Edinburgh Review*, April, 1918, p. 359.
141. ———The importance of merchant fleet. Table showing oversea trade of Gt. Britain, Germany, and the U. S. 1880-1912. How Germany would have controlled markets 20 yrs. hence. Post-war competition.—*Commerce Reports*, June 10, 1918, p. 948.
142. ———An explanation of the several methods of expressing the tonnage of vessels. Definitions of displacement, deadweight, gross, under-deck, and net or net register tonnage.—*The Outlook*, June 12, 1918, p. 287.
143. ———Definitions of tonnage terms.—*Scientific American Supplement*, May 25, 1918, p. 329.
144. ———Germany. The future of the German merchant marine. Transl. of an article in *Norddeutsche Allgemeine Zeitung* of Mar. 31, 1918. Review of world conditions and difficulty of German position after war.—*Commerce Reports*, May 24, 1918, p. 747.
145. ———Japan. Japan's marine transport and the war. Tables showing vessels decreased, 1916-17; foreign trade, 1913-16, etc.—*Japan Financial and Economic Monthly*, March, 1918, p. 36.
146. ———U. S. Operation of U. S. Shipping Board. Great accomplishment of Board.—*Congressional Record*, June 3, 1918, p. 7922.
147. METAL SPRAY. Schoop's metal spray process for coating surfaces of any material (glass, wood, paper, cloth, etc.) with metal or other fusible substances; history, description, and method of operation. Illus.—*Kriegstechnische Zeit Schrift fur Offiziere Aller Waffen*, Jan.-Feb., 1918, p. 12. Filed U4 K92.
148. METEOROLOGY. "One may know in the morning the weather for the day." A simple new method for forecasting the weather, based on the appearance and color of the clouds.—*La Science et la Vie*, May, 1918, p. 509.

149. MEXICO CITY. Description of Mexico City; geographical, historical and economic features. Illustrations of principal buildings, etc.—*Bulletin of the Pan-American Union*, Apr., 1918, p. 436.
150. MILITARY SERVICE, Australia. Reasons for sentiment against conscription in Australia. Likelihood that bill would be carried if again submitted, since it has become known that soldiers themselves voted for it.—*The Outlook*, June 5, 1918, p. 225.
151. ———Canada. "How Australia Answered the Call." By R. Hugh Knyvett. Almost half a million from a population of less than 5 million is Australia's record.—*The Outlook*, June 5, 1918, p. 225.
152. ———Great Britain. Extracts from Great Britain Military Service Acts, 1915-1916.—*Congressional Record*, May 31, 1918, p. 7835.

LIBRARY RECEIVED
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

MONTHLY LIST OF MILITARY INFOR-
MATION CARDED FROM BOOKS,
PERIODICALS, AND OTHER
SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices, 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

**MONTHLY LIST OF MILITARY INFOR-
MATION CARDED FROM BOOKS,
PERIODICALS, AND OTHER
SOURCES**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices, 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

MONTHLY LIST OF MILITARY INFOR-
MATION CARDED FROM BOOKS,
PERIODICALS, AND OTHER
SOURCES

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices, 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

**MONTHLY LIST OF MILITARY INFOR-
MATION CARDED FROM BOOKS,
PERIODICALS, AND OTHER
SOURCES**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

**MONTHLY LIST OF MILITARY INFOR-
MATION CARDED FROM BOOKS,
PERIODICALS, AND OTHER
SOURCES**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians:

This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles referred to can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

List for Oct. 21—Nov. 20, 1918

RECEIVED LIBRARY

**OF THE,
ARMY WAR COLLEGE**

AND

**HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF**

**Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

List for Jan. 21—Feb. 20, 1919

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

List for Feb. 21-March 20, 1919

1. AERIAL TRANSPORT. "The airplane's new position in commercial life."—*The Forum*, Feb., 1919, p. 197.
2. ———Advantages of airoplanes and airships. Commercial air service.—*Engineering*, Jan. 24, 1919, p. 115.
3. AERIAL WARFARE. European War. British official returns of casualties from air and sea raids on Great Britain.—*The Times Weekly Edition*, Jan. 17, 1919, p. 63.
4. ———European War. "The Cohort of the Damned." French use of undisciplined.—*The Literary Digest*, Feb. 22, 1919, p. 80.
5. ———France. Maps and dates of bombardments of Paris. Number killed and wounded on each date.—*L'Illustration*, Jan. 4, 1919, p. 7-13.
6. ———Great Britain. "Five hundred and fifty tons of bombs. Raids on Germany described." Official report on British Independent Air Force, June 5, to Nov. 11, 1918.—*The Times Weekly Edition*, Jan. 19, 1919, p. 49.

UNIVERSITY OF MINNESOTA
No. 43 THE LIBRARY
March 21—April 20, 1919
MAY 29 1919

RECEIVED
LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

List for March 21---April 20, 1919

1. A. E. F. Sketches of Generals in A. E. F.—*Collier's*, April 19, 1919, p. 10.
2. ———General Staff College. Organization and history. Fourth course, Oct.-Dec., 1918. Filed U429.5 A27 1918.
3. AERIAL TRANSPORT, Great Britain. Commercial outlook for aviation and British grants for development.—*Engineering*, March 21, 1919, p. 382.
4. ———“The aerial age.” Air commerce and outlook. Air law.—*The Outlook*, March 26, 1919, p. 519.
5. ———Great Britain. “The British Civil Aerial Transport Committee Report.—*The Journal of the Society of Automotive Engineers*, April, 1919, p. 314.
6. ———Great Britain. British plans for dirigible airships for transatlantic service proposed. Equipment and sailing.—*American Machinist*, April 3, 1919, p. 669.
7. ———U. S. The future of aeronautics. Mail and other routes in being and proposed.—*Aerial Weekly Age*, March 17, 1919, p. 28.
8. AERIAL WARFARE, Germany. Bombing Germany. General Trenchard's report of operations of British airmen against German cities.—*Current History*, April, 1919, p. 151.
9. AEROPLANES. Use of army aircraft against forest fires. Use of bombs charged with suitable chemicals to be used.—*United States Bulletin*, April 10, 1919, p. 23.
10. AGRICULTURE, U. S. “Our agricultural resources.” Resources and exhaustion by shipping raw materials.—*The American Review of Reviews*, April, 1919, p. 411.
11. AIR SERVICE, A. E. F. “American aviation forces in France.”—*The Journal of the Society of Automotive Engineers*, March, 1919, p. 169.
12. ———Great Britain. “An Empire Air Service.” The British organization and its outlook.—*United Service Gazette*, Feb. 27, 1919, p. 107.

13. AIRSHIPS. Value of dirigibles for aerial transport. Commercial and technical merits of airships in comparison with aeroplanes. Tables showing progress in heavier-than-air and lighter-than-air machines, 1914-18. Article quotes report of the British Air Ministry.—*Flying*, March, 1919, p. 137.
14. ALSACE-LORRAINE. Industrial and economic value to France. With map.—*La Science et la Vie*, Feb.-March, 1919, p. 197.
15. ARGONNE, Battle of the. "America's greatest battle." By Frederick Palmer.—*Collier's*, March 22, 1919, p. 5.
16. ARMIES, Great Britain. Strength, cost and location of new British Army.—*United Service Gazette*, March 27, 1919, p. 153.
17. ———Great Britain. British army organization. Estimate of situation necessary. British organization of 1906-18.—*The Infantry Journal*, April, 1919, p. 815.
18. ———Japan. The imperial rescript of the Japanese Army, of January 4, 1882. "The Bible of the Japanese Soldier."—*The Marine Corps Gazette*, March, 1919, p. 47.
19. ———Switzerland. Statements on defects in methods of training officers in the Swiss Army.—*Revue Militaire Suisse*, Feb., 1919, p. 49.
20. ———U. S. America's first field army. First step towards co-ordinating all U. S. forces in France into one distinct command. Period ended Aug. 16, 1918.—*Current History*, Sept., 1918, p. 429.
21. ———U. S. Organizations into 21 divisions. Statement of Chief of Staff. Plan of organization given.—*The Official U. S. Bulletin*, March 29, 1919, p. 5.
22. ———U. S. "Our military system as it appeared to America's citizen soldiers." Questionnaire of the 12th Division.—*Infantry Journal*, April, 1919, p. 771.
23. ARMISTICE, European War. List of war material surrendered up to Feb. 9, 1919.—*United Service Gazette*, Feb 27, 1919, p. 105.
24. ARMY OF OCCUPATION, Germany. "How the Allies govern occupied Germany." Occupation of 1919.—*The Outlook*, April 2, 1919, p. 558.
25. ———Great Britain. Terms of service, pay, A. N. and Air forces. See *British Army Orders*, Jan. 29, 1919.
26. ———Great Britain. Data on the terms of service of the British Armies of Occupation, the pay of the Navy, formation and maintenance of the Royal Air Force necessary to cooperate with the land and sea forces during the transition period.—*Times Weekly Edition*, Feb. 7, 1919, p. 144.

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

List for April 21--May 20, 1919

1. ADMIRALS, U. S. Navy. American Admirals at War. How Admiral Rodman and Admiral Sims cooperated with the British Grand Fleet.—*The World's Work*, May, 1919, p. 35.

May 21-June 20, 1919.

UNIVERSITY OF MINNESOTA
JUN 6 1919

LIBRARY
OF THE
ARMY WAR COLLEGE
AND
HISTORICAL BRANCH, WAR PLANS
DIVISION, GENERAL STAFF

Monthly List of Military Information
Carded From Books, Periodicals,
and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

LIBRARY

OF THE

ARMY WAR COLLEGE

AND

HISTORICAL BRANCH, WAR PLANS DIVISION, GENERAL STAFF

Monthly List of Military Information Carded From Books, Periodicals, and Other Sources

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Secretary, Army War College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the Army War College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West 37th Street, New York.

Army Service Schools Press
Fort Leavenworth, Kansas

List for June 21---July 20, 1919

1. AERIAL NAVIGATION. Laws and Regulations. Great Britain. "The British Regulations for Aerial Navigation."—*Flying*, July, 1919, p. 525.

July 21-Aug. 20, 1919

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION
CARDED FROM BOOKS, PERIODICALS,
AND OTHER SOURCES.**

Officers requesting information please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

Note to Librarians: This list contains references to matter carded in the Library of the General Staff College. Abstracts of many of the articles can be found in "The International Military Digest." Publication Offices 241 West Thirty-seventh Street, New York.

135591—19

LIST FOR JULY 21-AUGUST 20, 1919.

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION CARDED
FROM BOOKS, PERIODICALS, AND OTHER SOURCES.**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington Barracks, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection see Paragraph I, Bulletin No. 52, War Department, 1916.

139759—19—1

LIST FOR AUGUST-SEPTEMBER, 1919.

AERIAL NAVIGATION—URUGUAY. Air navigation commercial. Types and advantages of method. Aerial navigation in Uruguay.—*Commerce Reports*, Aug. 19, 1919, p. 942.

AERONAUTICS. Aviation development and possibilities of recommendations. Aviation Mission's Report published.—*Aircraft Journal*, Aug. 23, 1919, p. 3.

No. 48.

Sept. 21-Oct. 20, 1919.

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION
CARDED FROM BOOKS, PERIODICALS,
AND OTHER SOURCES.**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

144239-19-1

LIST FOR SEPTEMBER 21-OCTOBER 20, 1919.

- AERIAL NAVIGATION.** Uruguay. Air navigation, commercial. Types and advantages of method. Aerial navigation in Uruguay. *Commerce Reports*, August 19, 1919, p. 942.
- AERONAUTICS.** Aviation development and possibilities of recommendations. Aviation Mission's Report Published. *Aircraft Journal*, August 23, 1919, p. 3.

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION
CARDED FROM BOOKS, PERIODICALS,
AND OTHER SOURCES.**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

150808—19—1

LIST FOR OCTOBER 21–NOVEMBER 20, 1919.

- AERONAUTICS**—Japan. Development of Aeronautics in Japan. *Commerce Reports*, November 9, 1919, p. 775.

- United States. The Japanese in the United States. Japanese publications. Japanese immigration. *The Literary Digest*, November 8, 1919, p. 40.

- PORTS—China.** Information regarding ports in the Shanghai district—Soochow, Hangchow, Ningpo, and Wanchow. *Supplement to Commerce Reports*, No. 52c, October 15, 1919, p. 20.
- Greece. Survey of Greek ports. Trade with other ports. *Commerce Reports*, July 14, 1919, p. 286.
- Philippine Islands. Port facilities of Manila. *Commerce Reports*, October 27, 1919, p. 543.
- Siberia. Warehouse accommodations at port of Vladivostok. *Commerce Reports*, July 2, 1919, p. 17.
- RAILROADS—Spain.** Proposed electrification of a railroad. *Commerce Reports*, November 10, 1919, p. 814.
- RESOURCES—Near East.** The mineral resources of the Near East. Persia, Abyssinia, and India. *The Near East*, August 29, 1919, p. 231.
- RICE.** Rice rivals wheat as a world food. The task of supplying the East its staff of life vast oriental epic. *The Trans Pacific*, November, 1919, p. 1.
- ROADS—China.** Where roads are often rivers and rivers are always roads. *The Trans Pacific*, November, 1919, p. 45.
- Philippine Islands. Philippine roads as highways of progress. Higher living standards and better crops have followed their wake. *The Trans Pacific*, November, 1919, p. 25.
- United States. Six hundred and thirty-three million dollars for modern highways in 1920. *Manufacturers' Record*, November 6, 1919, p. 151.
- ROUMANIA—Economic conditions.** Roumania's industries and requirements. *Commerce Reports*, October 11, 1919, p. 236.
- RUSSIA—Revolution.** The Russian Army and the revolution. *Infantry Journal*, November 1919, p. 377.
- SCHOOLS—United States.** The need of an infantry school. By Lieut. Col. Paul B. Malone. *Infantry Journal*, November, 1919, p. 347.
- SERBIA—History.** Serbia's work in the Great War. *The Historical Outlook*, November, 1919, p. 432.
- SHANGHAI.** Shanghai's foreign trade by countries. Shanghai's industries, business properties, new smelting works, shipbuilding, new stock and products exchange, cotton exchange and banking. *Supplement to Commerce Reports*, No. 52c, October 15, 1919, p. 1.
- SHANTUNG.** The Shantung situation. Japan dominates Chinese through officials. *The Far Eastern Fortnightly*, October 13, 1919, p. 2.
- SIBERIA—Resources.** When Siberia's mines have their day. Vast stores of metals and minerals. *The Trans Pacific*, November, 1919, p. 40.
- SIMS, ADMIRAL.** Naval operations of the United States in European war. Article by Admiral Sims. *The World's Work*, September, 1919, p. 488.

SHIPYARDS—China. Pacific shipping. The construction of American ships in China. *The Far Eastern Fortnightly*, October 13, 1919, p. 7.

SIAM—Resources. Industrial and economic notes from Siam. Business changes at Bangkok. Cattle statistics. *Commerce Reports*, November 4, 1919, p. 688.

SIBERIA—Finances. Redemption of notes by Archangel government. *Commerce Reports*, July 2, 1919, p. 17.

STEEL—Australia. Steel production in Newcastle, Australia. *Commerce Reports*, November 10, 1919, p. 793.

—Belgium. Belgian steel works still largely wreckage. *The Iron Age*, November 13, 1919, p. 23.

—France. Steel industry of Lorraine and the Saar Valley. *Commerce Reports*, November 6, 1919, p. 726.

—Germany. German steel trade greatly handicapped. High cost of imported ores. *The Iron Age*, November 13, 1919, p. 18.

—Great Britain. Steel production of the United Kingdom. *Commerce Reports*, November 15, 1919, p. 924.

—United States. How France turned from peaceful production of iron and steel to war activities. *Manufacturers' Record*, November 6, 1919, p. 162.

SUBMARINE WARFARE. Submarine warfare, European war methods and peril of German success. When Germany was winning the war. *The World's Work*, September, 1919, p. 488.

SUGAR. World's 1919-20 sugar crop estimates. *Commerce Reports*, November 12, 1919, p. 849.

—Japan. Japanese sugar industry. *Commerce Reports*, July 29, 1919, p. 578.

SULPHUR—Sweden. The Swedish sulphur situation. *Commerce Reports*, July 14, 1919, p. 270.

SUPPLY BASES—United States. List of Army supply bases and interior depots built by construction division between April, 1917, and January, 1919. *America's Munitions*, 1917-18. Report of Benedict Crowell. Filed UC263.3 1917 A42 1919, p. 562.

SWEDEN. Number of automobiles in Sweden. Recent prices. Condition of roads. *Commerce Reports*, November 6, 1919, p. 739.

TRADE—Germany. Items on German trade and industry. The immediate future of German foreign trade. *Commerce Reports*, November 1, 1919, pp. 647 and 652.

TAXES—Germany. New German taxes. Administrative measures. Provisions to prevent evasion. *Commerce Reports*, November 10, 1919, p. 803.

—Great Britain. Higher rents and rates in England. Equalization of rates—rent increases authorized. *Commerce Reports*, November 6, 1919, p. 723.

- TOOLS.** European markets for American machine tools. *Commerce Reports*, October 11, 1919, p. 222.
- TRACTORS**—United States. Types and number of caterpillar tractors supplied during the European war by America. *America's Munitions*, 1917-18, Report of Benedict Crowell. Filed UC263.3 1917 A42 1919, p. 150.
- TRADE**—China. Shanghai's trade for the first half of 1919. *Commerce Reports*, October 23, 1919, p. 455.
- United States. Factors in United States trade with north Brazil. *Commerce Reports*, October 21, 1919, p. 419.
- United States. The passing of America's foreign trade in spirituous liquors. *Commerce Reports*, November 3, 1919, p. 664.
- TURKEY.** The chemical and allied industries of Turkey. Chemical products of munitions factory. *Commerce Reports*, October 28, 1919, p. 545.
- Resources. Manufacture of foodstuffs and beverages in Turkey. *Commerce Reports*, November 3, 1919, p. 657.
- UNITED STATES**—Economic conditions. Economic conditions in Europe and in America as brought about by the World War. *Manufacturers' Record*, November 6, 1919, p. 169.
- Foreign relations. Anglo-American diplomatic relations during the last half century. *The Historical Outlook*, November, 1919, p. 436.
- Politics and Government. Americanism in the present crisis. Labor and laboring conditions. *The New Republic*, November 12, 1919, p. 302.
- WAR.** Recuperation after war. Historical examples. *The World's Work*, September, 1919, p. 474.
- WARS**—United States—Civil. Losses to South and recuperation after Civil War. *The World's Work*, September, 1919, p. 474.
- WEIGHTS AND MEASURES.** Weights and measures of the Far East. (Japan, China, Russia, Straights Settlements, Siam, etc.) *The Trans-Pacific*, November, 1919, p. 67.

No. 50.

Nov. 21-Dec. 20, 1919.

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION
CARDED FROM BOOKS, PERIODICALS,
AND OTHER SOURCES.**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

155873-20-1

LIST FOR NOVEMBER 21,--DECEMBER 20, 1919.

- ALBANIA**—The awakening of Albania. The Albanians: Their virtues and their faults. Italian influence. Effect of the war, etc. By Gen. George P. Scriven. *The Geographical Review*, August, 1919, p. 73.

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION
CARDED FROM BOOKS, PERIODICALS,
AND OTHER SOURCES.**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

165547—20—1

LIST FOR DECEMBER 21, 1919—JANUARY 20, 1920.

- AEROPLANES**—United States. Aircraft demand for civilian purposes large enough to support aircraft industry on permanent basis. *Flying*, November, 1919, p. 851.

No. 52.

Jan. 21-Feb. 20, 1920.

LIBRARY OF THE GENERAL STAFF COLLEGE.

**MONTHLY LIST OF MILITARY INFORMATION
CARDED FROM BOOKS, PERIODICALS,
AND OTHER SOURCES.**

Officers requesting information will please give the number of the entry and the date of the list. For officers on duty in Washington, D. C., a formal call is not necessary; a telephone call to the Librarian will be sufficient.

Written applications for information should be addressed to the Executive Officer, General Staff College, Washington, D. C.

When a book is called for, the title and author will be given in the language in which it is printed. Unless so stated, material in foreign periodicals has not been translated.

The material listed herein is not available for general loan outside of Washington, D. C. In this connection, see Par. I, Bulletin No. 52, War Department, 1916.

167394—20—1

LIST FOR JANUARY 21-FEBRUARY 20, 1920.

- ARGENTINE**—Resources. Argentine sugar crop, 1919. Statistics on the production of sugar. Bill prohibiting the export of sugar still in effect. Range of prices on sugar. *Commerce Reports*, January 22, 1920, p. 417.
